

Quality
Reliability
Availability

We are the world's largest manufacturer of progressing cavity pumps. So it's not surprising that we also provide over 3 million high quality parts that fit into other brands of progressing cavity pumps. On selected models, we offer our customers the fully assembled rotating units or individual parts including:

- Boots
- Casing gaskets
- Connecting rods
- Connecting rod bushings
- Connecting rod pins
- Drive shafts
- Drive shaft heads
- Drive shaft keys
- Gear balls
- Gear joint seals
- Gear joint shells
- Guide bushings
- Head rings
- Ring gear keys
- Lantern rings
- Lock nuts
- O-rings
- Packing
- Plug-in shafts
- Primary thrust plates
- Secondary thrust plates
- Retaining rings
- Retaining sleeves
- Ring gears
- Rotors
- Seal supports
- Slinger rings
- Small & large holding bands
- Stators

All Universal Parts are manufactured to exacting standards and attract a 12-month warranty.

We have a dedicated global aftermarket team to help you keep your pumps and process equipment operating at peak efficiency.
